President's Message

Greetings to you from the new President. I may not be as widely known as most of the prior presidents. My name is David Holmes. My wife, Sheri and I have been dancing for about 5 years now. We have great fun at the dances and eventually we might even be good at the dancing itself. Look for me at the early dances as I get around to introducing myself to everyone directly.

We are looking forward to a fun year in which we continue to pursue the Wine n' Roses goal of offering premiere dance opportunities in the best of locations. The last couple of years have brought us into difficult economic times. I realize that many people are looking to cut back on expenses and to look for good deals where ever they can. Please take another careful look at the deal that membership in Wine n' Roses really has always been and continues to be. You know that dancing is great fun. It also provides a wonderful opportunity for fellowship among other members. We are offering different membership packages this year to make that fun available more easily where we can. Dancing with us is a relatively inexpensive but still very special series of nights out over the year. If you are not now a member, please consider joining us this year. If you were a member in the past, come on back. We would love to have you with us.

One thing the Board has chosen to do to reduce our expenses is to not offer a live band this year. The expenses have been disproportionate though to the attendance of late. Careful thought went into this decision as dancing to a live band is not a common opportunity and it is a special treat. This decision however, can be re-visited in the future. We have though; secured a series of very talented DJ's to offer us a wide variety of great dancing music this year.

Come join us. Let's dance.
David

Membership

Memberships are never required but encouraged. We know these are difficult economic times but we encourage you to support the club by becoming a member. If you look at our calendar of dances and know that you may not be able to attend all, please consider joining anyway.

Through your membership, we are able to continue to hire quality ballroom dance DJ's. As we see the costs continue to rise for our club, we only hope to continue to bring you the quality dances that you have come to expect from the Wine 'n' Roses Ballroom Dance Club. It is through your continued support that we will maintain our efforts to provide great dancing in the Wausau area. Consider joining and benefit from all that dancing has to offer.

New this year is a second membership level. For those of you who are snowbirds, beginning dancers or are just too busy to attend all dances, consider buying a Bronze level membership. This is an opportunity for you to get in your dancing and still support the club.

Benefits of the Silver level membership include a great value on the six formal dances and a discount on admission to the ten Sunday practice dances. In addition to these benefits, you will get three one half hour dance lesson from our DJ dance instructors for free.

We think this is a great deal! We hope that you do to.

This year you will see some repeat performances by our most popular DJ's. We hit a snag with our scheduling this year, but never fear the board has come through to provide a great year of music for our dances. There are two new performers this year. You may remember Dave Ritland who performed at the Alzheimer Benefit dance. He did a great job for us then and will do so again. Also new to the lineup is Bob Holl. Bob is a local DJ with 17 years of experience. He is quite well known and many of you may have heard him play in our area. Bob is excited to tailor his music to our needs. He has agreed to work with us to provide the best dancing experience for all levels of dancers. We hope you give both of our new DJ's a chance. Join us for all six dances this year.

All dances will be held from 8:00 – 11:30 pm. Those with a dance lesson will begin at 7:30 pm. Lessons are included with the Silver membership. The lesson will be included with a Bronze membership if member chooses to attend those dances. Non-members will pay \$3.00 per person at the door.

Volunteer Corner

WINE 'N' ROSES BALLROOM DANCE CLUB 2010 – 2011 Dance Season Membership

Consider lending a hand!

Dance hosts are members' who volunteer to arrive early to help setup, manage the admission table and record attendance. Two couples per dance are needed. By alternating couples at the check-in table you can work and still dance. It is a great way to meet and get to know your fellow dancers. If interested, specify on the membership form.

Help DJ at the Sunday practice dances. We are looking for club members to help in this capacity. It is easy. We will train. The club provides the music and equipment. Consider playing the music for part of the tea dance. This way everyone gets to dance!

Assist the treasurer by collecting the admission fee at one of the tea dances. Indicate your interest on the membership form.

How about **serving on the Board of Directors**? The club is always looking for new faces to serve on the board. If you are called by the nominating committee next spring, please consider saying yes.

It would be great to see new faces volunteering!

There are several opportunities for you to become involved. Be a dance host, help out the treasurer or be a DJ for the day. Please take some time to fill out the survey attached to your membership registration. We want to know where your interests are and how you might be willing to help.
